The Credit Union Newsletter

The Credit Union Newsletter is published twice a year as a service to its members

On-Line Banking

In May we upgraded our on-line banking system. If you haven't registered yet we encourage you to do so. The new platform allows for easier search capabilities, customized reporting and e-alerts. You can also view and print copies of checks and statements.

To register you must have a valid e-mail address on file with the credit union. You'll also need to know your account number (found on your statement).

Credit Union Hours

Monday thru Friday
9:30 AM to 2:30 PM
